Keira Knightley

**SCENT OF A WINNER:** Keira Knightley fought among warriors in the film *King Arthur* and now joins the fairer sex in clamoring for Coquette Tropique, the much buzzed-about follow-up perfume to last year's hit *Monyette Paris* (by the L.A.-based perfumery of the same name). Coquette-ites, including **Mischa Barton** and **Claire Danes**, know the tiny roll-on bottle is easy to tote but not so easy to find. It's selling out quickly. . . .
